There are a few formal requirements you need to meet to join the training course:

4. You need to **attend the whole course duration** (there is no possibility of making exceptions).
5. You commit yourself to organising a **follow-up action** in your local community/country upon the course completion (it can be e.g. a workshop, webinar, training, or other educational activity).

We explicitly encourage participants of all genders, abilities, and ethnic backgrounds to apply!

WHERE?

Our event will take place in **Poznań**, a vibrant city with great transport connections (international trains and buses, airport, highway).

We are thrilled to invite you to a dream place that combines *city* and *nature*!

Hotel Camping Malta is a relaxing green area designed for groups and individuals who want to have a creative space for work and rest.

Malta is a lake (picture on the previous page), just 3 km from the Poznań Old Town, yet it gives you a feeling that you are away from the city.

We will live at the lakeside in comfortable bungalows for 2-3 people with private bathrooms. The outside temperature will be 10-20°C at that time.

Meals, including coffee breaks, will be served in the renowned Rycerska Restaurant at the camping premises.

These are just a few examples of **attractions within walking distance of our hotel (0.5-3 km)**:

- Poznań Old Town
- Malta Thermal Baths (an aquapark and pool complex)
- All-year-long Malta Ski slope (with skiing, downhill rafting and a toboggan run)
- Forests with rivers, ponds, and a treetop walking bridge
- Two rope parks

METHODS

Our working methods will be based on the principles of adult learning, creating a stress-free and motivating environment where the human brain has the full capacity to learn.

You will often work in smaller groups to achieve the best results. All the methods will encourage active participation, creativity, initiative, and responsibility for one's learning process.

Our training courses are also very colourful, with many visuals used in the learning process. We include the proof! :)

MEET THE TRAINERS

The training course will be facilitated by two experienced and certified trainers, experts in adult education, and – at the same time – peace activists.

Natalie Jivkova, Bulgaria:

Inspired by and passionate about peace, well-being, and non-formal learning, Natalie supports the learning processes and personal development of youngsters and adults.

She is continuously learning how to bring and practice peace at all levels.

Natalie has been involved in SCI locally and internationally since 2002 and has co-developed the Peace Education in Practice online learning course.

Goška Tur, Poland:

Goška is a sociologist, trainer and educator, a certified member of the Polish Association of NGO Trainers and owner of Pracownia Interakcji training company. She has been active in the training field for almost 25 years and led numerous national and international training courses on peace issues, including NVC, conflict resolution, inner peace and happiness.

Between 2015 and 2020, Goška was the International President of SCI

Natalie and Goška are proud creators of the [Facilitator's Cards](#), [SCI Peace Cards](#), and [My Peace Journal](#).

CERTIFICATES

You will be awarded a training completion certificate, issued by SCI Poland, and additionally, you will receive a Youthpass certificate.

FINANCIAL CONDITIONS

The food and accommodation during the training course as well as organisational costs (additional insurance, training materials, etc.), will be **fully covered** thanks to the co-financing by the European Union.

Reimbursement of the travel tickets will be 100% up to the maximum amount after the receipt of the original documents. Maximum travel reimbursement will be according to the Erasmus+ rates:

- travel by plane: distance 100-499 km up to 180 euro, 500-1999 km up to 275 euro, 2000-2999 km up to 360 euro,
- green travel (bus, train, car sharing): distance 100-499 km up to 210 euro, 500-1999 km up to 320 euro – foreseen only for participants from Germany, Hungary and Slovenia.

NB. We run this project in a partnership between [SCI Poland](#) and [CVS Bulgaria](#), [SCI Catalunya](#), [SCI Germany](#), [Útilapu Hungary](#), [VSI Ireland](#), [SCI Italy](#), [CID North Macedonia](#), [Para Onde? Portugal](#) and [Zavod Voluntariat – SCI Slovenia](#). Some of the partners may ask for a small sending fee to cover their placement costs. Please check with the relevant organisation.

Even though this is not a “getting to know Poland” project, **you may also stay in Poland a few days before or after at your private expense**, as long as the travel cost is not higher than the cost which you would bear if coming only for course duration – otherwise, you will be asked to cover the difference.

**Co-funded by
the European Union**

SUSTAINABILITY

Sustainable food: The food we provide will be vegetarian with vegan options. This is not just a practical decision, but also an ideological one: SCI believes in the values of sustainability and climate justice – and if we want to contribute to a more peaceful planet, we need to give up on animal agriculture and its destructive effects on our planet.

Sustainable travel: We encourage you to use environmentally friendly transport (bus, train, car sharing) when possible, and we will explicitly ask participants from Germany, Hungary, and Slovenia to choose this type of transport instead of a plane. Questions or doubts? Contact us!

HOW TO APPLY?

If you find yourself a suitable candidate for the course, please fill in the application form [here](#). We have the last places left and we review the applications on a rolling basis.

You will be notified of the selection results within 7 days.

All those accepted will receive a detailed infosheet (incl. your travel and preparations). We will also support you in the pre-departure phase together with our project Partner Organisations.

If you have further questions regarding the project, write to us at learning@poland.sci.ngo.
